

# CALL FOR PAPERS

**ICPMNP 2020**  
**Aug 20-21, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPMNP 2020 : International Conference on Plant Mineral Nutrition and Principles is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Plant Mineral Nutrition and Principles. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Fertilization management

Fertigation

P acquisition

NH<sub>4</sub>/NO<sub>3</sub> ratio

Micronutrients

Soil and plant analyses

Salinity and nutrients interaction

pH

Oxygen concentration

Redox potential

Rhizosphere

Plant and microorganisms exudates

Biostimulants

Soil fertility

Soil properties
