

# CALL FOR PAPERS

**ICTCTE 2020**  
**Aug 27-28, 2020**  
**Moscow, Russia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTCTE 2020 : International Conference on Tea Chemistry and Tea Extraction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Tea Chemistry and Tea Extraction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Chemistry of tea derived  
Chemical biology  
Chemical measurements of growing  
conditions  
Tea extraction

Tea bioactivities  
Tea and health  
Metabolomics  
Chemistry profile/sensory  
attributes of prepared tea
