

# CALL FOR PAPERS

**ICECS 2020**  
**Aug 13-14, 2020**  
**Venice, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICECS 2020 : International Conference on Emotion and Cognitive Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Emotion and Cognitive Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Emotion  
Components  
Classification
