

CALL FOR PAPERS

ICMWMM 2020
Sep 24-25, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMWMM 2020 : International Conference on Mass Wasting and Mass Movement is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mass Wasting and Mass Movement. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mass wasting
Mass wasting processes
Role of water in mass wasting
Types of mass wasting and triggers
Mitigation of mass wasting

Weathering, erosion and mass
wasting
Distribution, morphology and
triggers of mass wasting
Earthquakes and mass wasting
Soil moisture and mass wasting
