

CALL FOR PAPERS

ICIIBT 2020
Sep 03-04, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIIBT 2020 : International Conference on Industrial Internet and Business Transformation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Industrial Internet and Business Transformation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Industrial Internet of Things
Industrial cyber-physical systems
Industrial big data and artificial intelligence
Industrial communication and networking technologies
Industrial cloud and edge computing

Industrial robotics and autonomous systems
Data management and analytics
Security, privacy, and trust
Real-time, reliability, and safety
Applications, testbeds and case studies
