

# CALL FOR PAPERS

**ICFPMC 2020**  
**Sep 24-25, 2020**  
**San Francisco, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFPMC 2020 : International Conference on Food Packaging Materials and Compliance is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Packaging Materials and Compliance. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food contact materials  
Polymer additives  
Food packaging safety  
Compliance  
Migration testing and prediction

Diffusion modelling  
Chemical analysis  
Consumer exposure  
Risk assessment
