

# CALL FOR PAPERS

**ICBBMS 2020**  
**Sep 21-22, 2020**  
**Toronto, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBBMS 2020 : International Conference on Bibliometrics in Business and Management Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Bibliometrics in Business and Management Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Bibliometric indicators  
Growth and obsolescence of topics  
or methods  
Contributions from authors,  
institutions and countries  
Journal rankings  
Impact factors

Citation, co-citation and reference  
analysis  
Co-word analysis  
Co-author analysis  
Network analysis and visualization  
Open access and usage
