

CALL FOR PAPERS

ICCCSUP 2020
Sep 21-22, 2020
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCCSUP 2020 : International Conference on Creative City, Creative Spaces and Urban Policy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Creative City, Creative Spaces and Urban Policy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Creative city
Creativity and imagination in urban activities
The emergence of the creative economy and creative class
Creativity and innovation
Creativity, culture and the city

Using technology in city planning
Greening the city
Creative spaces and urban policy
Economy planning in creative cities
Cultural planning for urban development and creative cities
