

CALL FOR PAPERS

ICEVS 2020
Sep 21-22, 2020
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEVS 2020 : International Conference on Equine Veterinary Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Equine Veterinary Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Equine veterinary science
Equine management
Equine health and emergency management
Horsemanship
Horse health care management
Agricultural policy

Legal framework
Equine building design
Nature, landscape and biodiversity effects of horse management
Horses and rural development
Municipal planning for horse related activities near to built-up areas
Treatment skills and allergic reactions in equine veterinary science
