

CALL FOR PAPERS

ICNPE 2020
Sep 21-22, 2020
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNPE 2020 : International Conference on Nursing Professionalism and Ethics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nursing Professionalism and Ethics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Professionalism in nursing
Professional/occupational characteristics of nursing
Professional behaviors and factors contributing to nursing
Evidence-based practice in nursing
Teaching and learning professionalism in nursing
Ethical nursing care

Therapeutic relationships in nursing
Cognitive dimension of nursing professionalization
Attitudinal dimension of nursing professionalization
Psychomotor dimension of nursing professionalization
Antecedents of nursing professionalization
Consequences of nursing professionalization
