

# CALL FOR PAPERS

**ICPSS 2020**  
**Sep 21-22, 2020**  
**Toronto, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPSS 2020 : International Conference on Problems in Social Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Problems in Social Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mass Immigration  
Conflicts and Civil Wars  
Global Peace and Security  
Internet  
Cyber Security

Women and Gender Equality  
Food Security  
Health Care and Wellness  
Social Development  
Cyber Security in Social Science
