

CALL FOR PAPERS

ICPSS 2020
Sep 21-22, 2020
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPSS 2020 : International Conference on Problems in Social Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Problems in Social Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mass Immigration
Conflicts and Civil Wars
Global Peace and Security
Internet
Cyber Security

Women and Gender Equality
Food Security
Health Care and Wellness
Social Development
Cyber Security in Social Science
