

CALL FOR PAPERS

ICUOSD 2020
Sep 21-22, 2020
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUOSD 2020 : International Conference on Urban Open Space Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Open Space Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- | | |
|---|--|
| Urban open space | Aesthetic aspects of urban open space |
| Open space planning and design | Public health |
| Planning for green open space in urban landscapes | Virtual environments |
| Land use planning for natural landscapes | Urban open space for physical activity |
| Recreational benefits of urban open space | Private development and management of urban open space |
| Ecological aspects of urban open space | |
