

CALL FOR PAPERS

ICANFS 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICANFS 2020 : International Conference on Animal Nutrition and Feed Supplements is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Nutrition and Feed Supplements. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal nutrition

Applied animal nutrition

Dietary supplementation

Animal diets

Animal feed science and nutrition
