

CALL FOR PAPERS

ICCAD 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAD 2020 : International Conference on Career Awareness and Development is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Career Awareness and Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Academic integration
Career clusters and pathways
Career and technical education programs
Creative use of career information and career resources
Technical skills assessment
Educational development plans and portfolios
Labor market trends and emerging occupations
Digital skills for career professionals

Work based learning
Apprenticeships
The future of work and the importance of lifelong career development for all
Career awareness and assessment
Career development strategies
Analytics and data science
Workforce development for global opportunities and mobility
Curriculum development
