

# CALL FOR PAPERS

**ICECM 2020**  
**Sep 23-24, 2020**  
**Vancouver, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICECM 2020 : International Conference on Effective Classroom Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Effective Classroom Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Classroom organization and management  
Classroom management activities  
Behavioral assessment and related interventions in the classroom  
Classroom management and culture  
Effective rules and consequences  
Efficiency and structures classrooms  
Responding to misbehavior
