

CALL FOR PAPERS

ICHMCC 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHMCC 2020 : International Conference on Hospitality Management and Cost Control is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Hospitality Management and Cost Control. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world.
