

# CALL FOR PAPERS

**ICLSS 2020**  
**Sep 23-24, 2020**  
**Vancouver, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLSS 2020 : International Conference on Land Squandering and Suburbanization is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Land Squandering and Suburbanization. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Land squandering  
Housing bubble  
Social crisis  
Housing vulnerability

Economic, political and cultural  
processes  
Urban-territorial processes  
Urban geography  
Suburbanization
