

CALL FOR PAPERS

ICNT 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNT 2020 : International Conference on Nutrition Transitions is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutrition Transitions. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nutrition transition
Nutritional patterns and transitions
Dietary consumption and energy expenditure
Relation to economic development
Globalization and economic factors
Biological factors affecting the nutrition transition
Urbanization, lifestyle changes and the nutrition transition
Biopsychosocial forces

Health outcomes
Economic impact
Implications for policy
Economic, demographic, and epidemiological changes
Global food demand
Food security and nutrition
The nutrition transition and obesity
