

CALL FOR PAPERS

ICPPN 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPN 2020 : International Conference on Pharmaceutical Preformulation and Neuropharmacology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Pharmaceutical Preformulation and Neuropharmacology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

General clinical pharmacology
Pharmacists role in patient safety
Clinical pharmacy and its key role in treatment
Dispensing pharmacy and analysis chemists
Clinical pharmacy: Activities and prescriptions
Clinical drug development and therapeutics
Pharmacy and medicinal chemistry
Advanced drug delivery research
Clinical immunology
Clinical pharmacy and therapeutics
Neuropharmacology
Pharmacokinetics and pharmacodynamics
Psychopharmacology

Cardiovascular pharmacology
Ethanopharmacology
Pharmacogenetics and pharmacogenomics
Toxicology and toxinology
Pharmacoepidemiology and pharmaco-economics
Drug screening and discovery
Advances In pharmacological research
Ocular pharmacology
Biochemical pharmacology
Pharmacological testing
Nursing pharmacology
Market analysis of pharmacology
