

# CALL FOR PAPERS

**ICRUPS 2020**  
**Sep 23-24, 2020**  
**Vancouver, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRUPS 2020 : International Conference on Regional Urbanization and Planning Strategies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Regional Urbanization and Planning Strategies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Regional urbanization  
Transition between urban and regional spaces  
Reconstituting the inner and outer cities  
Causes and consequences of regional urbanization  
Extended regional urbanization  
Regional planning and development theories  
Metropolization  
Regionalization

Suburbanization  
Reurbanization  
Political consequences  
Planning strategies  
Comparative analyses  
Knowledge economy  
Digitalization  
New regionalism
