

CALL FOR PAPERS

ICSMSC 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSMSC 2020 : International Conference on Social Marketing and Social Change is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social Marketing and Social Change. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Social marketing

Social marketing programs, plan implementation and analysis

Social marketing and social change

Macro-social marketing

Community-based social marketing

Social marketing for small businesses

Theoretical models in social marketing

Social media marketing
