

CALL FOR PAPERS

ICSNPPC 2020
Sep 23-24, 2020
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSNPPC 2020 : International Conference on Surgical Nursing Process and Patient Care is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Surgical Nursing Process and Patient Care. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Surgical nursing	Ophthalmic surgery
Signs and symptoms of surgical infections	Clinical nursing
Quality in surgical nursing	Types of nursing
Patient care and patient safety	Oral surgery
Clinical treatment of wound and its symptoms	Cardiovascular and thoracic surgery
Wound healing	Neurosurgery
Pre operative surgery and post operative surgery	Orthopaedic surgery
Nursing practice	Obstetrics and gynaecological surgery
Surgical nursing	Transplant surgery
Nursing assessment	Acute care surgery
