

# CALL FOR PAPERS

**ICVDET 2020**  
**Sep 23-24, 2020**  
**Vancouver, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVDET 2020 : International Conference on Veterinary Diagnosis, Equipments and Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Veterinary Diagnosis, Equipments and Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Veterinary science and medical  
diagnosis  
Veterinary diagnosis and diagnostic  
investigation  
Diagnostic instruments  
Advances in veterinary diagnostics  
Identifying and monitoring emerging  
diseases

Developing new diagnostic methods  
Veterinary diagnostic laboratories  
Anatomic pathology  
Clinical pathology  
Microbiology, parasitology, and  
serology
