

CALL FOR PAPERS

ICSPT 2020
Sep 16-17, 2020
Zurich, Switzerland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSPT 2020 : International Conference on Schizophrenia, Prevention and Treatment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Schizophrenia, Prevention and Treatment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Schizophrenia	Onset
Positive and negative symptoms	Prevention
Hallucinations	Treatment
Delusions	Genetic causes
Confused thoughts and speech	Environmental causes
Trouble concentrating	Psychological mechanisms
Different movements	Neurological mechanisms
Emotionless	Diagnosis
Withdrawal	Differential diagnosis
No follow-through	Hospitalization
Poverty of speech	Medication and anti-psychotics
Lack of desire to form relationships	Response to medication
Cognitive dysfunction	Psychosocial treatment
