

CALL FOR PAPERS

ICCIPI 2020
Oct 22-23, 2020
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCIPI 2020 : International Conference on Curriculum Innovation Planning and Implementation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Curriculum Innovation Planning and Implementation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Curriculum innovation
Curriculum planning and implementation processes
Curriculum design and trends in higher education
Curriculum development and scientific research
Education and globalization
Online and blended learning

The 21st century library and information services
Use of communication technologies in adult education
Video use in teacher education
Improving learning environments
Human interaction and pedagogy
Hands-on activities and student feedback
