

CALL FOR PAPERS

ICFSN 2020
Oct 22-23, 2020
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFSN 2020 : International Conference on Food Security and Nutrition is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Security and Nutrition. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Clinical nutrition	Food analysis
Appetite disorders	Food chemistry
Cardiovascular diseases	Food composition
Cardiovascular diseases	Food legislation
Deficiency disorders	Food preservation
Infectious diseases	Food processing
Malnutrition	Food quality
Metabolic disorders	Food research
Neoplasms	Food safety
Nutritional support	Food service
Obesity	Food technology
Food science	Fermentation and enzyme technology
