

# CALL FOR PAPERS

**ICETE 2020**  
**Oct 22-23, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICETE 2020 : International Conference on Electronics and Telecommunication Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electronics and Telecommunication Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mobile Communication  
Wireless Communication  
Optical Network  
Internet and Router  
Ubiquitous and Sensor Network  
Information and Network Security  
Web, Smartphone Hacking and Defence  
Security  
Cloud and Distributed Application  
Security  
Authentication, Biometric, Private  
Security  
Smartphone, Webserver and Network  
Forensics  
Software Platform, Smart Service  
and App, AR/VR , UI  
Web Service, Social Network  
WWW, OpenFlow, Future Web, M2M,  
IoT, IoE

Big Data, Game, Multimedia, Search  
Engine  
BPM, ERP, CRM, SCM, ASP, WorkFlow  
System, Software, Language,  
Engineering, Work Method  
Network Management, Operation and  
Maintenance  
Distributed and Cloud Computing  
NGN, BCN, NGI, Future Network  
Drone, ITS, LBS, Telematics,  
Network Robotics  
IPTV, Internet Telephony, VoIP,  
MoIP  
Communications  
Communication Theory  
Information and Coding Theory  
Communication Quality, Reliability  
and Modeling
