

CALL FOR PAPERS

ICFP 2020
Oct 29-30, 2020
Lisbon, Portugal

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFP 2020 : International Conference on Fertilizers and Pesticides is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Fertilizers and Pesticides. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Application of fertilizers and pesticides
Constraints in biofertilizer technology
Azolla-Anabena symbiosis

Biochemical pesticides
RNAi pesticides
