

# CALL FOR PAPERS

**ICAMR 2020**  
**Oct 22-23, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAMR 2020 : International Conference on Addiction Medicine and Recovery is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Addiction Medicine and Recovery. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Alcohol addiction  
Drug rehabilitation  
Behavioral addiction  
Insights on addiction research  
Substance or drug abuse disorders  
Addiction to food, internet,  
gambling, porn and sex

Dual diagnosis  
Prescription drugs addiction  
Gambling addiction  
Sex addiction  
Methamphetamine addiction  
Internet addiction
