

CALL FOR PAPERS

ICBCM 2020
Oct 22-23, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBCM 2020 : International Conference on Biobased Chemicals and Materials is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biobased Chemicals and Materials. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Bio-based chemicals, plastics and
composite materials
Biocomposites and Green Composites
Bioplastics for Durable
Applications
Modern Biorefinery

Sustainable Materials for
Manufacturing
Bioeconomy and Policy Development
Bioplastics, Biocomposites and
Biorefining
