

# CALL FOR PAPERS

**ICBPT 2020**  
**Oct 29-30, 2020**  
**Los Angeles, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBPT 2020 : International Conference on Biogas Production and Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biogas Production and Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Objectives of producing and using  
biogas products  
Applications and environment impact  
of biogas  
Industrial waste biogas  
Large scale biogas production and  
challenges  
Biogas technologies  
Market potential of biogas  
reactors

Biogas from agriculture waste  
Biogas production from algae  
New and possible substrates for  
biogas production  
Measuring and upgrading biogas  
environment  
Investment and financing  
Agricultural modernization
