

CALL FOR PAPERS

ICSCHI 2020
Oct 29-30, 2020
Los Angeles, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSCHI 2020 : International Conference on Shared Care and Healthcare Improvement is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Shared Care and Healthcare Improvement. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- | | |
|---|--|
| Shared care | Shared care for people with mental illness |
| Shared care in nursing practice | Shared care for asthma |
| The nursing role in integrated care models | Shared care for gastroenterology |
| Shared care in general health care | Shared care for chronic disease |
| Shared care in complementary medicine | Electronic shared care plans |
| Shared care for neurology | Shared-care arrangements |
| The effectiveness and cost-effectiveness of shared care | Minimum requirements of shared care plans |
| Healthcare improvement | Shared decision making in chronic care |
