

# CALL FOR PAPERS

**ICUMUD 2020**  
**Oct 05-06, 2020**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUMUD 2020 : International Conference on Urban Methodologies and Urban Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Methodologies and Urban Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Formalizing urban methodologies  
Methods and methodologies for urban research  
Forecasting urban systems  
Urban planning and design methods  
Methods and tools for urban design  
Urban data analysis

Data mapping and visualization  
Data and technology in architecture and urbanism  
Formal methods in architecture and urbanism  
Information and design project  
Qualitative approaches  
Quantitative methods
