

CALL FOR PAPERS

ICEEC 2020
Nov 05-06, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEC 2020 : International Conference on Ecology, Evolution and Conservation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Ecology, Evolution and Conservation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal and Conservation Biology
Animal Behavior, Ecology, and Conservation
Animal Biology
Animal Biology and Ecology
Behavioral Ecology
Behavioral Ecology and Conservation Biology
Biodiversity and Conservation
Biodiversity and Conservation Biology
Biodiversity and Wildlife
Conservation Planning
Biological Diversity and Ecology
Biology: Ecology, Evolution and Conservation
Conservation and Ecology
Conservation and Wildlife Biology

Conservation Biology
Conservation Biology and Ecology
Conservation Biology and Wildlife Management
Conservation Ecology
Conservation Ecology and Entomology
Conservation of Wildlife Populations
Ecological, Zoological, Conservation, and Behavioral Biology
Ecology and Conservation
Ecology and Conservation Biology
Ecology and Conservation Practice
Ecology and Environmental Biology
Ecology and Environmental Change
Ecology and Evolutionary Biology
