

CALL FOR PAPERS

ICWTHM 2020
Nov 05-06, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWTHM 2020 : International Conference on Waterfront Tourism and Hospitality Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Waterfront Tourism and Hospitality Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
