

# CALL FOR PAPERS

**ICPG 2020**  
**Nov 05-06, 2020**  
**Cape Town, South Africa**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPG 2020 : International Conference on Pressure Grouting is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Pressure Grouting. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Pressure grouting  
Pressure grouting methods and equipment  
Pressure grouting of rock foundations  
Pressure grouting of tunnels

Assessment and comparison of grouting  
Experimental investigation of pressure grouting  
Dam foundation grouting
