

# CALL FOR PAPERS

**ICMCBBBP 2020**  
**Nov 19-20, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMCBBBP 2020 : International Conference on Molecular Characterization of Biopolymers, Biobased Bioplastics and Pyrolysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Molecular Characterization of Biopolymers, Biobased Bioplastics and Pyrolysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biomass  
Biopolymers  
Bioplastics  
Structural characterization  
Chromatography  
Spectroscopy

Spectrometry  
Stable isotopes  
Pyrolysis  
Recycling  
Biomarker
