

# CALL FOR PAPERS

**ICMDAE 2020**  
**Nov 19-20, 2020**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMDAE 2020 : International Conference on Mycobacterial Diseases in Animals and Epidemiology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mycobacterial Diseases in Animals and Epidemiology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Microbiology  
Immunology  
Susceptibility  
Epidemiology  
Mycobacterial diseases in animals  
Diagnosis

Johne's disease  
Avian tuberculosis  
Bovine tuberculosis  
Livestock disease  
Control and management
