

# CALL FOR PAPERS

**ICHT 2020**  
**Nov 02-03, 2020**  
**San Francisco, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHT 2020 : International Conference on Heart Transplant is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Heart Transplant. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Electrophysiology of heart  
Epidemiology, etiology, and  
genetics of heart  
Cardiac biomarkers  
Atrial fibrillation  
Aortic pathologies  
Ischemia  
Cardiac cancer  
Arrhythmias
