

# CALL FOR PAPERS

**ICNMES 2020**  
**Nov 02-03, 2020**  
**San Francisco, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNMES 2020 : International Conference on New Media and E-Society is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of New Media and E-Society. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Digitization, heterogeneity and convergence  
Interactivity and virtuality  
Citizenship, regulation and heterarchy

Innovation, identity and the global village syndrome  
Internet Cultures and new interpretations of "Space"  
Polity and the Digitally Suppressed
