

# CALL FOR PAPERS

**ICSFS 2020**  
**Nov 02-03, 2020**  
**San Francisco, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSFS 2020 : International Conference on Sociology and Family Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sociology and Family Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sociology of the family  
Sociological perspectives on the family  
Family as a private relationship and a public institution  
Family studies  
Family unit  
Demographic characteristics of the family members  
Social class of the family and economic level  
Social change on the family  
Family and other social organizations  
Diversity of family forms, ideology, gender differences, and state policies  
Interaction between family members  
Sociology of interracial intimacy  
Pre-modern family life and religious discourse

Sociology of marriage  
Intersection of class and gender  
Gender and work-family balance in marriage
