

CALL FOR PAPERS

ICAA 2020
Nov 19-20, 2020
Singapore, SG

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAA 2020 : International Conference on Abbasid Architecture is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Abbasid Architecture. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Abbasid architecture
Characteristics of Abbasid
architecture
Abbasid art, architecture and
culture
Abbasid architecture and Islam

City governments and historic and
cultural heritage conservation
Town planning, architecture and art
of Abbasid cities
Urban Archeology of the Abbasid
period
