

CALL FOR PAPERS

ICACEE 2020
Nov 19-20, 2020
Singapore, SG

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICACEE 2020 : International Conference on Architectural, Civil and Environmental Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Architectural, Civil and Environmental Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Architecture and Urban Planning
Architectural Design and Theories
Advanced Construction Materials
Aesthetics and Landscape
Architectural Design and Its
Theory
Architectural Environment &
Equipment Engineering
Architecture and Building
Materials
Art Design and Landscape
Architecture
Building Energy Saving Technology
Building Technology Science
Construction and Renewable Energy
Sources
Ecological Architecture
Ecological Construction and
Intelligent Control

Energy Conservation and Equipment
Green Building Materials
Green Construction and
Environmental Protection
History and Theories of
Architecture
Landscape Planning and Design
Traditional Construction Materials
Urban Planning and Design
Civil and Structural Engineering
Bridge Engineering
Building Structure and Bridge
Engineering
Building Technology
Cartography and Geographic
Information System
