

CALL FOR PAPERS

ICCIHL 2020
Nov 19-20, 2020
Singapore, SG

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCIHL 2020 : International Conference on Comparative and International Health Law is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Comparative and International Health Law. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Health law	Medical law
Health law, policy and regulations	Administrative law
Health law and human rights	Public health law
International and comparative health law	Consent
Problems in health law	Voluntarism
Social democracy, health and regulations	Self-regulation
Health and healthy society	Economic instruments
Bioethics	Meta-regulation
