

CALL FOR PAPERS

ICIAD 2020
Nov 19-20, 2020
Singapore, SG

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIAD 2020 : International Conference on Interior Architecture and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Interior Architecture and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Interior architecture
Advances in interior architecture
Interior architecture and environment
Interior architecture and structure types
History of architecture, interiors, and decorative arts
Design principles and elements
Graphic communication

Color theory and application for interiors
Digital presentation techniques
Interior finishes and materials
Space planning
Lighting design
Building components and systems
