

# CALL FOR PAPERS

**ICWT 2020**  
**Nov 12-13, 2020**  
**Venice, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWT 2020 : International Conference on Waterfront Tourism is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Waterfront Tourism. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Waterfront tourism	Coastal trails and beaches
Urban waterfront tourism	Cruise industry
Waterfront tourism development and management	Education and interpretation
Coastal and Marine tourism	Governance/policies/stewardship
Recreation and coastal development	Hawaiian and pacific islanders
Trends in coastal and marine tourism	History and heritage
Beach resort, cruise, ecotourism, sustainable tourism	Impacts on fisheries and coral reefs
Ecotourism and sustainable coastal tourism	Marine ecotourism
Global trends in coastal tourism	Marine protected areas
Coastal management and planning	Marine water sports
Maintenance of a safe and secure recreational environment	Marine wildlife
Coastal resorts	Seafood tourism
