

# CALL FOR PAPERS

**ICFCFQ 2020**  
**Dec 03-04, 2020**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFCFQ 2020 : International Conference on Forage Crops and Forage Quality is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forage Crops and Forage Quality. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Crop genetics and improvement  
Production management  
Forage quality  
Novel crops  
Soil fertility and microbiology  
Soil-plant interaction

Phytopathology  
Crop physiology  
Modelling  
Life cycle assessment  
Economics and marketing  
Policy
