

CALL FOR PAPERS

ICSITS 2020
Dec 03-04, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSITS 2020 : International Conference on Smart Information Technologies and Security is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Smart Information Technologies and Security. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Smart information technologies
Smart communication technologies
Security
Privacy
Safety
Collaborative communication
technology

Network technologies
Wireless communications
Internet of things
Mobile technologies
Computer science and engineering
Computer software
