

CALL FOR PAPERS

ICFD 2020
Dec 17-18, 2020
Barcelona, Spain

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFD 2020 : International Conference on Fusion Diagnostics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Fusion Diagnostics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Fusion diagnostics and technology
Burning plasma diagnostics
Radiation hardened detectors and electronics

Experimental techniques for
high-temperature plasmas
High-availability electronics for
data acquisition and control
